"THE CITY BEAUTIFUL"

A city with a population of over a quarter million and covering more than 30 square miles in the heart of the Miami Valley. Home of the Wright Brothers, co-inventors of the airplane. Still the center of aeronautical research and experimental work. Here at Wright-Patterson Air Force Base the air strength of the nation is being developed.

Dayton is ideally located for coin auctions, being the hub of a population of many millions. Within easy driving distance are the following cities:

Cincinnati (600,000)	50 miles South
Columbus (400,000)	70 miles East
Indianapolis (500,000)	100 miles West
Toledo (350,000)	160 miles North
Akron (300,000)	165 miles Northeast
Louisville (375,000)	165 miles South

Approximately another hundred towns less than 200 miles distance with a population from 20,000 to 100,000 each. There are as many collectors in this area as you will find anywhere in the country.

Coins sold through our sales are presented to the largest numismatic buying clientele possible. We take pride in our cataloguing not only in honest grading but also accurate and adequate classification and description. We mail from 4,000 to 6,000 catalogues for each sale to buyers throughout the world.

August Humbert $50.00 Slug

1243. 1851 FIFTY DOLLS. 880 THOUS. "Target" reverse, milled edge. Date bold as is most of the lettering outside circle. It is usual for this to be weak even on extremely fine specimens. Shows only moderate, even wear, only minor edge bump of no consequence. Was purchased as Very Fine which we believe is a fair grading considering the usual condition and weight of this large gold coin. However, to be conservative and on the safe side, we grade it as Fine-V. Fine. Catalogues in Fine condition at $900.00, should certainly realize this amount or more.

Paquet Design Reverse

1264. 1861 S Mint. A. C. Paquet design reverse. Letters are much taller and of different style. This exremely rare coin was definitely struck and issued for circulation. Of the six or eight specimens known, only one has been listed in Uncirculated condition. With this one exception, this specimen is as fine or finer than any others known. It is strictly Very Fine, showing very slight wear. All in all, a very choice and acceptable specimen of this great rarity. Catalogues in Very Fine condition at $5,000.00 which, in my opinion, is a somewhat exaggerated value. From past sale records and the demand, I believe a realistic valuation of this coin would be $3,500.00.
